Message To Volunteers

Each Volunteer is eligible for three kinds of insurance. These policies provide coverage for you while participating in community service as a volunteer.

The insurance policy certificates are held by the organization for which you volunteer. This is not a substitute for any insurance you may now carry, and only applies while you are performing your assignment as a volunteer in the program and while on your way to and from your volunteer site.

It is highly appropriate that the satisfaction and appreciation you experience as a volunteer be supported by the comfort of knowing you have some help in the event of an accident.

This guide describes the insurance coverages provided you as a volunteer. The coverage becomes effective at the time of your formal enrollment in the volunteer program.

Complete information regarding the insurance coverages is available from the organization for which you volunteer. The insurance program is administered by The CIMA Companies, Inc.

All three plans described herein are offered to your organization. However, not all organizations elect to cover their volunteers under all plans. Please check to see which coverages your organization is providing for you.

SUMMARY OF COVERAGES

I. Accident Insurance

Excess Accident Medical Coverages

Life Insurance Company of North America (LINA) is the underwriting company for the accident insurance.

This coverage will pay up to \$50,000 for covered medical treatment, hospitalization and licensed nursing care required as the result of a covered accident. Benefits are payable for injuries which result directly from an accident, and independently of all other causes, while coverage is in effect. The insurance applies while the volunteer is traveling directly to and from, and while participating in, volunteer assignments. Initial medical expenses must be incurred within 60 days of the accident. Expenses are then covered for a one-year period following the accident up to \$50,000.

Other than X-rays, dental care is covered up to \$500 per tooth for accidental injury to sound, natural teeth and repair of dentures. Maximum benefit per accident is \$900.

This coverage also provides up to \$50.00 for repair or replacement of eyeglass frames and up to \$50.00 for repair or replacement of eyeglass prescription lenses damaged as a result of a covered accident.

The maximum payment under this coverage, including dental and eyeglass expenses, is \$50,000.

Benefits are payable for eligible expenses that are in excess of benefits paid to the volunteer by any other health care plan. In the event no other health insurance exists, benefits will be payable on a primary basis.

Additional eligible accident medical expenses are as follows:

In-patient Hospital Services: room and board; hospital miscellaneous charges including X-rays, lab work, physiotherapy, nursing services, and all medically necessary charges other than room and board; ambulance service from the accident to the hospital.

Physician Services: surgery, use of surgical facilities, second opinions, anesthesia and its administration, in-hospital or office visits.

Out-patient Services: emergency room treatment, X-rays and laboratory tests, physiotherapy (acupuncture, microthermy, adjustment, manipulation, diathermy, massage therapy, heat treatment and ultrasonic treatment), certain medical treatment rendered in a convalescent, nursing home or extended care facility.

Medical Equipment, Services and Supplies: prescription drugs; rental of a wheelchair or other medically necessary equipment that has received prior approval by the insurance company.

Accidental Death and Dismemberment Coverage

In addition to the accident medical coverage, LINA will pay the following benefits for death or loss of limb or sight, occurring within one year after a covered accident, when the loss results directly from an accident, and independently of all other causes, while coverage is in effect.

- Loss of life (paid to beneficiary) - \$2,500
- Loss of both hands, feet or eyes, or any combination of two thereof (paid to volunteer) - \$2,500
- Loss of either foot or either hand, sight of one eye (paid to volunteer) - \$1,250
- Loss of thumb and index finger of same hand (paid to volunteer) - \$625

Only one amount, the largest to which the volunteer is entitled, is paid for all losses resulting from one accident.

Loss of hand or foot means complete severance through or above the wrist or ankle joint. Loss of sight means total, permanent loss of sight of the eye. The loss of sight must be irrecoverable by natural, surgical or artificial means. Loss of a thumb and index finger means complete severance through or above the metacarpophalangeal joints (the joints between the fingers and the hand).

Severance means the complete separation and dismemberment of the part from the body.

Coverage is effective on the first of the month following receipt and acceptance of the volunteer organization's completed application and premium payment. Termination of coverage is effective with at least 31 days written notice from the policyholder or failure by the policyholder to pay premiums when due or within the grace period. Your coverage will continue as long as you remain eligible and the policy remains in force.

Exclusions to Accident Insurance
