**Alaska Conditional Exclusion of Terrorism Endorsement (Relating To
Disposition Of Federal Terrorism Risk Insurance Act of 2002)**

This endorsement modifies the VOLUNTEERS INSURANCE SERVICE COMBINED EXCESS LIABILITY POLICY as follows:

A. Applicability Of The Provisions Of This Endorsement

1. The provisions of this endorsement will become applicable commencing on the date when any one or more of the following first occurs:
 - a. The federal Terrorism Risk Insurance Program ("Program"), established by the Terrorism Risk Insurance Act of 2002, has terminated with respect to the type of insurance provided under this Policy; or
 - b. A renewal, extension or continuation of the Program has become effective without a requirement to make terrorism coverage available to you and with revisions that:
 - (1) Increase our statutory percentage deductible under the Program for terrorism losses. (That deductible determines the amount of all certified terrorism losses we must pay in a calendar year, before the federal government shares in subsequent payment of certified terrorism losses.); or
 - (2) Decrease the federal government's statutory percentage share in potential terrorism losses above such deductible; or
 - (3) Redefine terrorism or make insurance coverage for terrorism subject to provisions or requirements that differ from those that apply to other types of events or occurrences under this policy.

The Program is scheduled to terminate at the end of December 31, 2005 unless renewed, extended or otherwise continued by the federal government.

2. If the provisions of this endorsement become applicable, such provisions:
 - a. Supersede any terrorism endorsement already endorsed to this policy that addresses "certified acts of terrorism" and/or "other acts of terrorism", but only with respect to an incident(s) of terrorism (however defined) which results in injury or damage that occurs on or after the date when the provisions of this endorsement become applicable; and
 - b. Remain applicable unless we notify you of changes in these provisions, in response to federal law.
 3. If the provisions of this endorsement do NOT become applicable, any terrorism endorsement already endorsed to this policy, that addresses "certified acts of terrorism" and/or "other acts of terrorism", will continue in effect unless we notify you of changes to that endorsement in response to federal law.
- B.** The following definitions are added and apply under this endorsement wherever the term terrorism, or the phrase any injury or damage, are enclosed in quotation marks:
1. "Terrorism" means activities against persons, organizations or property of any nature:
 - a. That involve the following or preparation for the following:

- (1) Use or threat of force or violence; or
- (2) Commission or threat of a dangerous act; or
- (3) Commission or threat of an act that interferes with or disrupts an electronic, communication, information, or mechanical system; and

b. When one or more of the following applies:

- (1) The effect is to intimidate or coerce a government or the civilian population or any segment thereof, or to disrupt any segment of the economy; or
- (2) It appears that the intent is to intimidate or coerce a government, or to further political, ideological, religious, social or economic objectives or to express (or express opposition to) a philosophy or ideology.

2. "Any injury or damage" means any injury or damage covered under any Policy, "scheduled underlying insurance" or "other insurance" to which this endorsement is applicable, and includes but is not limited to "bodily injury", "property damage", "personal and advertising injury", "injury" or "environmental damage" as may be defined in any applicable Policy, "scheduled underlying insurance" or "other insurance".

C. The following exclusion is added and applies to Coverages A and B:

EXCLUSION OF TERRORISM

We will not pay for "any injury or damage" caused by "terrorism", including action in hindering or defending against an actual or expected incident of "terrorism". **But this exclusion applies only when one or more of the following are attributed to an incident of "terrorism":**

1. The "terrorism" is carried out by means of the dispersal or application of radioactive material, or through the use of a nuclear weapon or device that involves or produces a nuclear reaction, nuclear radiation or radioactive contamination; or
2. Radioactive material is released, and it appears that one purpose of the "terrorism" was to release such material; or
3. The "terrorism" is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
4. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the "terrorism" was to release such materials; or
5. The total of insured damages to all types of property exceeds \$25,000,000. In determining whether the \$25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the "terrorism" and business interruption losses sustained by owners or occupants of this provision. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or
6. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:
 - a. Physical injury that involves a substantial risk of death; or
 - b. Protracted and obvious physical disfigurement; or
 - c. Protracted loss of or impairment of the function of a bodily member or organ.

Multiple incidents of "terrorism" which occur within a 72-hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one incident, for the purpose of determining whether the thresholds in paragraphs C.5. or C.6. are exceeded.

With respect to this Exclusion, paragraphs C.5. and C.6. describe the threshold used to measure the magnitude of an incident of "terrorism" and the circumstances in which the threshold will apply, for the purpose of determining whether this Exclusion will apply to that incident. When the Exclusion applies to an incident of "terrorism", there is no coverage under this Policy.

In the event of any incident of "terrorism" that is not subject to this Exclusion, coverage does not apply to "any injury or damage" that is otherwise excluded under this Policy.
