Notice can be given to Us at Our Administrative Office in New York, New York, to such other place as We may designate for the purpose, or to Our authorized agent. Notice should include the Policyholder's name and policy number and the Covered Person's name and address.

Claim Forms

We will send claim forms for filing proof of loss when We receive notice of a claim. If such forms are not sent within 15 days after We receive notice, the proof requirements will be met by submitting, within the time fixed in this Policy for filing proof of loss, written or authorized electronic proof of the nature and extent of the loss for which the claim is made.

Claimant Cooperation Provision

Failure of a claimant to cooperate with Us in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Proof of Loss

Written or authorized electronic proof of loss satisfactory to Us must be given to Us at Our office, within 90 days of the loss for which claim is made. If written or authorized electronic notice is not given within that time, no claim will be invalidated or reduced if it is shown that such notice was given as soon as reasonably possible. This form may be in writing or by any electronic means agreed upon between Us and the Policyholder. Consent of the beneficiary is not required to affect any changes unless the beneficiary has been designated as an irrevocable beneficiary.

A beneficiary designation or change will become effective on the date the Covered Person executes it. However, We will not be liable for any action taken or payment made before We record notice of the change at our Home Office.

If more than one person is named as beneficiary, the interests of each will be equal unless the Covered Person has specified otherwise. The share of any beneficiary who does not survive the Covered Person will pass equally to any surviving beneficiaries unless otherwise specified.

1. A request for lump sum payment of the overpaid amount.
2. A reduction of any amounts payable under this Policy.

We will pay Covered Expenses Incurred for outpatient physiotherapy, which includes (a) acupuncture, (b) microthermy, (c) chiropractic adjustment, (d) manipulation, (e) diathermy, (f) massage therapy, (g) heat treatment, and (h) ultrasound treatment.

Nursing Services

We will pay Covered Expenses Incurred for services other than routine Hospital care, rendered by a Nurse.

Ambulance Services

We will pay Covered Expenses Incurred for air or ground ambulance service to transport a Covered Person from the place where a Covered Accident occurred to the nearest medically appropriate facility.

Medical Equipment Rental

We will pay Covered Expenses Incurred for rental or, if less, for purchase of:

1. a wheelchair or hospital bed; or
2. other medical equipment that has permanent or temporary therapeutic value for the Covered Person and that can only be used by him. Permanent or therapeutic value is determined solely by Us. Examples of items that are not covered include but are not limited to computers, motor vehicles and modifications thereof, and ramps and installation costs and hearing aids.

Medical Services and Supplies

We will pay Covered Expenses Incurred for:

1. blood and blood transfusions, including processing and administration; and
2. cost and administration of oxygen and other gasses.

We will not pay for storage of blood for any reason.

We will pay Covered Expense Incurred for dental treatment, including X-rays, for injury to a tooth:

1. with no fillings or cavities or only fillings or cavities that do not undermine the tooth cusps; and
2. for which pulpal tissues are healthy and intact; and

3. for which periodontal tissue shows little or no signs of active or chronic inflammation. For insurance review purposes, each tooth unit is evaluated under these criteria rather than a blanket rating of the whole mouth.

Covered Expenses include examinations, X-rays, restorative treatment, endodontics, oral surgery, initial braces required for treatment of an injury, and treatment of gingivitis resulting from trauma.

Covered Expenses must be Incurred within the Benefit Period shown in the *Schedule of Benefits*. If there is more than one way to treat a dental problem, We will pay based on the least expensive procedure if that procedure meets commonly accepted standards of the American Dental Association.

Prescription Drugs

We will pay Covered Expenses Incurred for drugs that

1. can only be obtained through a Physician's written prescription; and
2. are approved for such prescription use by the Federal Drug Administration (FDA).

We will also pay Covered Expenses Incurred for drugs that meet (a) above and are prescribed by a Physician for therapeutic use not specifically approved by the FDA. The Covered Expense for a prescription drug is limited to the cost of a generic drug unless substitution of a generic drug is prohibited by law, no generic drug is available, or the Covered Person's Physician specifically request that a non-generic drug be dispensed.

None of the following will be considered Covered Expenses unless coverage is specifically provided.

1. Blood, blood plasma or blood storage except expenses by a Hospital for processing or administration of blood.

10. Treatment of hernia of any kind.
11. Treatment of injury resulting from a condition that a Covered Person knew existed on the date of a Covered Accident, unless we have received a written medical release from his Physician.

LIMITATIONS

Non-Duplication of Benefits When This Policy and Other Plans Are Excess

This provision applies if benefits under any other Health Care Plan are Covered Expenses under this Policy and coverage under this Policy and the other Plan are excess.

We pay a pro rata share of the total amount of Covered Expenses. In no case will the total benefits payable exceed 100% of the Covered Expenses.

Our pro rata share equals the total of benefits payable under this Policy multiplied by a fraction, of which the numerator is the benefits We pay and the denominator is the total of benefits payable by all Health Care Plans for the same Covered Accident.

**IMPORTANT INFORMATION ABOUT COVERAGE UNDER THE
